## **Chimpanzee Community Exhibition**

Dear Parents / Carer

Back in December 2022 Belsay School, along with over 150 children from the USA, the UK and Liberia were invited to learn about chimpanzees and why they are vital to our planet. With the help of 'Drawing for the Planet' the children produced some amazing ballpoint drawings of chimpanzees. We were presented with a framed copy of their artwork in June which we have proudly displayed outside of my office.

Further to this we are pleased to inform you that the 'Chimpanzee Community Exhibition' is due to open on the 25<sup>th</sup> October until 23<sup>rd</sup> November, at Queen's Hall, Arts Centre, Hexham. The exhibition will display all the children's drawings created for the project as large wall vinyls. This will be a fantastic opportunity for you to accompany your child to visit their artwork on display.

You can check out [Drawing for the Planet](#) to refresh your mind about the project and see some photos of the children involved in the project proudly showing off their efforts.

Kind regards,

Mr Shaw

Headteacher Mr Craig Shaw
