

At Ponteland High School we are committed to supporting students right from the beginning of their journey with us. We know from experience that students' who start ahead, stay ahead. Students will be identified by Feeder School SENCOs in the first instance (within Ponteland Partnership) to take part in our **Transition+ Programme**.

This programme is intended to support students who may find transition from Primary to Secondary School difficult without additional support. The programme has been designed to help students' learn how the school works while being flexible and sensitive to their needs.

### Transition+ Programme Details

- ✓ Parents will be invited to a 1:1 meeting with the SENCO to develop a personal approach to transition.
- ✓ Students may be linked to our Educational Psychologist
- ✓ Student will be linked to a Keyworker.
- ✓ Students will complete our **Transition+** booklet with their Keyworker this will be via a 1:1 visits in their primary school and visits to the high school. They will be able to use the booklet as an ongoing guide to school.
- ✓ Students will be invited to attend specific events such as our popular BOCCIA bowling.
- ✓ Students will be supported in transition activities throughout the year
